HAMPSTEAD VOLUNTEER BUY A BRICK CAPITAL CAMPAIGN

The Hampstead Volunteer Fire Company is making a significant investment in larger and safer facilities to ensure our ability to meet the expanding demands of Hampstead and the surrounding community.

The new Emergency Operations Center provides the much needed upgrades required in today's fire service.

As a foundational resource for the community, the fire company is investing in an Event Center which will provide fundraising capabilities, and a facility for weddings, parties, meetings, and community public safety training.

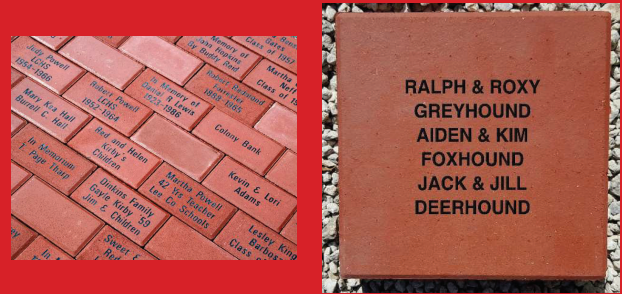

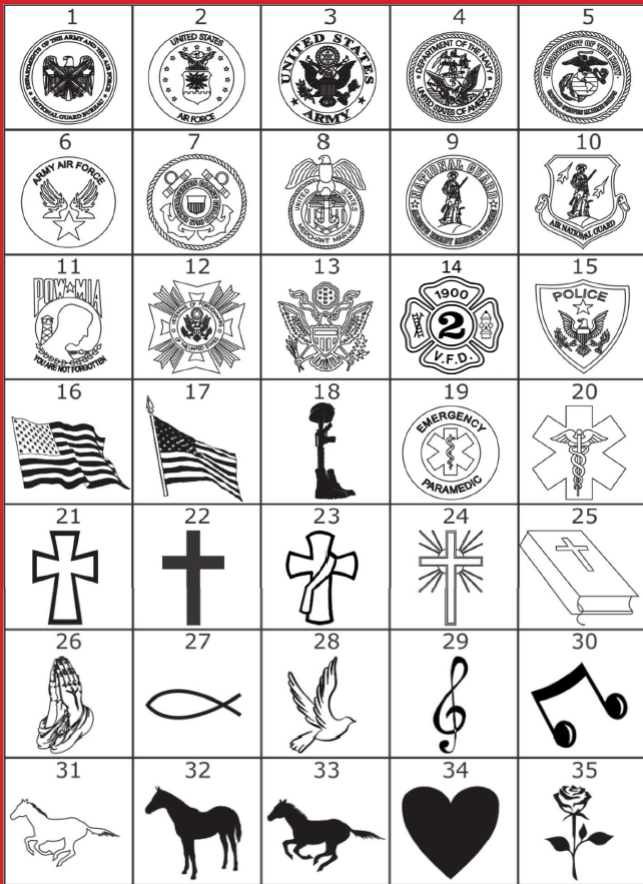

Contributions to our Capital Campaign Brick Fund will go to offset the cost of the Emergency Operations Center and Event Center. This is a great opportunity for you to invest in your community and know exactly where your money is going.
